As an Edward Jones financial advisor, I believe it's important to invest my time to understand what you're working toward before you invest your money. Working closely with you and your CPA, attorney and other professionals, I can help determine the most appropriate financial strategy for you and your family.

After obtaining my bachelor of arts from Faith Baptist Bible College in Iowa, I earned a master of business administration degree from the University of Colorado in Colorado Springs.

My spouse, Meghann, and I met while teaching together at James Irwin High School in Colorado Springs and moved to Ohio in 2016 to be closer to Meghann's family. We have a 2-year-old boy, Elias, and are expecting our second in May. Having both come from full time ministry families, we are active in our church. I am currently serving as the generosity coach for Good News Church and actively pursue other volunteer opportunities for faith-based organizations and nonprofits in the Columbus area as the need arises.

Relationships are key, and in our view, meeting face to face builds strong relationships. I would like to help to provide the answers to your questions so you can make informed, financially sound decisions. Please contact me to schedule a no cost/no obligation appointment to discuss your situation and options.
