

MAXIMIZED LIVING

We are very grateful to strategically partner with Dr. Brandon Shriner, Dr. Samantha Shriner, Maximized Living and Revive Chiropractic as providers of ongoing nutritional science information, which helps our families' sustain physical well-being, assist with disease prevention and maintain ideal weight. They offer guidance by facilitating seminars for GCS families regarding subjects such as healthy family nutrition and home exercise plans, how to combat ADD/ADHD issues through nutrition choices, how to fight cancer cells, and many other current, relevant topics that affect our physical well being. Most importantly, Dr. Brandon and Dr. Samantha Shriner focus on spiritual health by incorporating daily scripture into their guidance to help keep our families' hearts and minds regularly in God's Word.

Dr. Brandon and his wife, Dr. Sam, are passionate about helping families become truly healthy and maximize their lives; physically and spiritually.
