

## RENWEB IS NOW FACTS

Four years ago, RenWeb was acquired by another company called FACTS. You're likely familiar with FACTS because this is the platform we use for tuition management. FACTS is in the process of rebranding RenWeb's online presence to FACTS.

**What does this mean for you?** Most immediately, you will notice that RenWeb Login has been replaced with FACTS Login on the WC app and website. Here are other changes you are likely to observe:

- When you click on FACTS Login from the app or website, you go to a FACTS-branded site. Click Parents Log In at the top of the page to access all the information you are accustomed to finding in RenWeb. You too can get to tuition information from this single login. Your current RenWeb username and login gives you access to FACTS.
- The FACTS login site is a responsive design. This means it is easy to navigate from your mobile device.

Many families have downloaded the RenWeb Home app onto their phone or tablet. At present, RenWeb Home is still how you find the app in the App Store or Google Play. We do expect FACTS to make changes to the app in the coming months.

If you have any questions about accessing FACTS, please email [Mila Nelson](mailto:Mila.Nelson).
