

Swipe by Evan Angler

Summer Reading Project

Project Overview

This summer, you will dive into the thrilling dystopian world of *Swipe* by Evan Angler. As you read, you will analyze characters, explore major themes, create survival strategies, and design your own Swipe-resistant society.

- You must complete **four sections**.
 - Complete them in any order.
 - All sections must be finished by the due date!
-

Suggested Timeline: June 2 – August 1

Use the timeline below to stay on track. Completing a little each week will help you avoid a last-minute scramble!

Week	Dates	Suggested Task

Week 6	July 7–July 13	Start Section 3: Survival Kit.
Week 7	July 14–July 20	Finish Section 3. Begin Section 4: New Society Design.
Week 8	July 21–July 27	Finish Section 4. Review and edit all sections. Optional: Extra Credit!
Week 9	July 28–August 1	Final check! Neatly organize your work and prepare to submit.

Section 1:

Character Analysis

Who Can You Trust?

Choose **two** characters from *Swipe* (for example: Logan, Erin, Blake, or Peck). For each character:

- **Character Traits:** List 3 traits and explain with examples from the story (2–3 sentences per trait).
 - **Motivations:** What does this character want most? (1 paragraph – 5 sentences)
 - **Trust Meter:** Rate the character's trustworthiness from 1–10 and defend your rating with examples.
-

Section 2:

Theme Connections

The Dangers of Blind Trust

Answer thoughtfully in paragraphs (5–7 sentences each):

1. How does technology become dangerous in *Swipe*? Give 2 examples.
2. Why do some people follow the government's rules even when they seem wrong?
3. Can you think of a real-world example where people trusted technology or leaders too much? (It can be from history or the news.)

Section 3: Creative Task

Build Your Survival Kit

Imagine you live in the world of *Swipe* and are **Unmarked**. Create a **Survival Kit** with **5 essential items**:

- Draw your survival kit **OR** create a list with small illustrations.
 - For each item, write 3–5 sentences:
 - Why is this item important?
 - How will it help you stay safe from being tracked?
-

Section 4: Final Challenge

Design a New Society

Design a **new society** where people are protected from the dangers shown in *Swipe*. Create a poster, brochure, or one-page plan including:

- Name of your society
 - 3 rules to protect citizens
 - 1 safe communication method (describe it)
 - A symbol or flag for your new society (draw it)
-

Extra Credit (Optional!)

- Create a **Wanted Poster** for Logan, Erin, or another character.
 - Include a sketch, a list of "crimes," and a made-up reward!

Grading Rubric

Section	Excellent (A)	Good (B)	Needs Work (C-D)
Character Analysis	Thoughtful, text evidence, detailed	Clear ideas, minor details missing	Brief or vague answers
Theme Connections	Deep thinking, strong connections	Clear thinking, needs more depth	Shallow or incomplete
Survival Kit	Creative, detailed explanations	Some creativity, basic explanations	Simple list, weak explanations
New Society	Clear rules, creative solutions, neat	Good ideas, minor rushed parts	Basic or unclear work

Important Tips

- Be neat and organized.
 - Show your thinking — **explain WHY** you make each choice.
 - Use your imagination — but stay true to the world of *Swipe*!
