The Discovery Program

The Discovery Program uses the National Institute of Learning Development model. Students are identified for referral after educational testing administered by a licensed psychologist. Professional testing must be in place prior to placement and/or granting special accommodations.

For students identified by the administrator and the NILD director to participate in The Discovery Program, additional fees will apply. Testing for the program is \$400 and tuition for the program is \$2000 in addition to yearly tuition.

Grace Christian School Tuition Policies

Annual Payments

- Annual payments must be paid in full by the aforementioned dates; late payments will result in conversion to a 12-month payment plan and will not include a tuition discount

FACTS

- The FACTS tuition management plan offers the convenience of an automatic electronic bank payment; there is a minimal annual enrollment fee, which is **paid to FACTS**
- Collection is attempted by FACTS on the 5th or 20th of the month as directed by your FACTS Agreement (your choice of dates)
- If you need to miss a payment due to a personal financial problem, you must request a payment suspension by contacting the school administrator **at least five days prior to the next automatic withdrawal** (i.e. by the 1st or the 15th) and request a payment suspension
- Payment suspensions may be requested two times per school year; additional requests will be handled on a case-by-case basis and, if granted, will result in a \$50 additional service fee
- If a payment is suspended, a plan to make up the arrearage must be arranged
- If FACTS payments are denied (missed), a missed payment fee is charged by FACTS and usually by your financial institution as well. A \$50.00 late fee will be charged to your FACTS account by GCS as well.
- FACTS will re-attempt payment on the next FACTS withdrawal date; for example, if you chose the 5th as your payment date and the withdrawal is denied, FACTS will re-attempt withdrawal on the 20th
- You will be notified by letter of each missed payment; if two monthly payments are missed (i.e., three unsuccessful withdrawal attempts) and arrangements have not been made with the administrator to settle your account or initiate a revised payment plan, your child will be suspended from school until your account is current.
- A \$50 late fee will be added to the delinquent account and services like extended care and lunch may be suspended—please, if a problem arises, contact the school to immediately for assistance so we can work toward a solution together.

Change of Payment Plan

- A \$50.00 charge will be added for any changes made to payment plans after July 1, 2019.

Withdrawing from GCS

- After June 15, 2019 a withdrawal fee of 1/4 of the annual tuition for the student's grade level will be assessed
- It is the policy of Grace Christian School to hold the transfer of any and all school records until all financial obligations are current
- The balance of tuition is determined on a pro-rated daily schedule
- Upon written request, and if financial obligations are met, school records will be sent to the school where a withdrawn student is enrolled

Returned Checks

- Checks written to the school and returned because of insufficient funds necessitate an additional service charge of \$50.00
- The original check amount plus the \$50.00 fee are due within two weeks after notification by GCS
